

Alexis Olivero Canario

Senior FullStack Developer

Santo Domingo 11707 (829) 983-2502

olivero_canario@hotmail.com

PROFESSIONAL SUMMARY

Creative and performance-focused Fullstack Web Developer with hands-on experience building, maintaining, and enhancing scalable web applications across frontend and backend layers. Strong background in HTML, CSS, JavaScript, WordPress, and Webflow, with experience developing custom features, managing integrations, and optimizing site performance, security, and SEO. Familiar with React.js and continuously advancing skills in building dynamic, responsive user interfaces. Passionate about user experience, system reliability, and web performance, consistently improving retention, reducing load times, and enhancing operational efficiency. Detail-oriented, collaborative, and committed to delivering high-performance, secure, and scalable digital solutions.
